About

Hi there, I'm Ajay Kumar👋

I'm a 22 years old self-taught Web developer based in India. Proficient in working with HTML, CSS, JavaScript, and Django.

I am an Electrical and Electronics Engineer who graduated in 2022, I am a quiet and focused person who can work swiftly and effectively either alone or as part of a team and I am willing to learn new skills.

Some technologies I enjoy working with include MATLAB, Django, ML, Python, R programming, SQL, PL/SQL, ETL developer, C#, data Analyst, Linux Administrator, and Django developer.

Tech Stack

- MATLAB Expert
