Ajay Kumar Simhadri

12-07-11, Government
Hospital Road, Ichchapuram,
Srikakulam district, Andhra
Pradesh, 532312

SKILLS

- Electrical Engineering
- Python (Programming Language)
- HTML & CSS
- Electrical Wiring
- MATLAB
- Power Electronics
- Member of *IET* and *IEEE* taken Electives on AI, MATLAB, Business Communication

HOBBIES

- Badminton
- Writing Articles in *technuws*
- Cricket
- Cooking

ABOUT ME

An Electrical & Electronics Engineer graduating in 2022, working knowledge of MATLAB. I am a quiet and focused person who can work swiftly and effectively either alone or as part of a team and I am willing to learn new skills.

EDUCATION

2018 - 2022

**HINDUSTAN INSTITUTE OF TECHNOLOGY AND SCIENCE,
CHENNAI**

Bachelor of Technology, Stream in Electrical & Electronics - 8.6 CGPA

2016 - 2018

NARAYANA JUNIOR COLLEGE

Intermediate (11 and 12) | MPC - Grade 92.3%

EXPERIENCE

DATA SCIENCE INTERN

Asset plus Consulting - Noida, Uttar Pradesh

Responsible for dataset creation, managing, data labeling, and Image processing.

PROJECTS

- Autonomous Fire Fighting Robot

Detects and Extinguishes fire

- Wind Mill Power Prediction Using ML

To Predict the energy output of a windmill

- Smart Home Automation System Using a Mobile Application

Remote controller

CERTIFICATION

Python Data Structures

Introduction to Programming With MATLAB

Python Mega Course

Python-Introduction to Data Science and Machine learning
